

“Evangelicals” Have Been “Rented” by Democrat Billionaires to Swing Election

An Urgent Letter to Pastors & Christians

Please sign and share the Letter at www.AmericanEvangelicals.org

October 19, 2024

Dear Pastors and Americans, we, Christian signatories below, urge you to resist manipulation -

For political **power**, Democrat billionaires are cynically **funding** evangelical “influencers” likely to confuse, divide and **pacify the Christian vote**, resulting in Democrat victories. Non-profits have donors, but Christian non-profits should *not* have **anti**-Christian donors with a political agenda. (Details are in Resources below the Letter, and evolving at AmericanEvangelicals.org/gospel-guard).

George Soros, Pierre Omidyar, Ford, Rockefeller, Hewlett and other far-Left foundations know that biblical Christians naturally vote Republican to protect unborn and born children, parental rights, religious liberty, education, the rule of Constitutional law, a sound economy to care for the vulnerable, the true history and heritage of our nation and Judeo-Christian culture — for human flourishing at home and around the world. This is likely why Democrats fund dividers, for power.

It sadly becomes a civic, moral and Christian duty to warn the nation of such manipulation, in what could be the last possible free American election, determining the future of our nation.

Shepherds For Sale: How Evangelical Leaders Traded the Truth for a Leftist Agenda

As award-winning author, Megan Basham, discussed in [Shepherds For Sale](#), a Soros-funded think tank, New America Foundation (NAF), calls it their “**‘Rent-an-Evangelical’ model**” of **social change**. (And their “‘Rent-a-General’ model,” to manipulate the U.S. military).

Click on this 3-minute **video** to see NAF’s “Rent-an-Evangelical” strategy, and hear Rev. Jim Wallis of Sojourners deny taking funds from George Soros until Soros’s Open Society Foundation grants were discovered and made public. Wallis later replied that - he forgot.

More evidence: www.AmericanEvangelicals.org/gospel-guard. Full New America video, [here](#).

Such actors harm people and nations. They seek to redefine Christianity by cherry-picking Bible words. “Love your neighbor” is crudely used to promote abortion. The Left’s “love” is not God’s love. “Social justice” is not true justice. Their “rainbow” is not God’s rainbow. Their “sanctuary city” is not real sanctuary. “Welcome the stranger” is not the full biblical teaching on immigration, which is “Wise Welcome.” Citizens have rights to speak up for personal convictions, as this letter shows, but dark money should be exposed by truth and sunlight.

‘**The After Party**’ is a 2024 “political curriculum” targeting evangelicals in “battleground” states. Pastors are unaware that its leaders often malign conservative candidates and voters. It’s funding? Far-Left Rockefeller, and One America Movement, a pass-through for big money from Tides, Hewlett, Walton and Pritzker foundations that fund Planned Parenthood, transgenderism, LGBTQ+ for rural America and more. Source: “Follow the Money to The After Party,” in *First Things*, by Megan Basham, [here](#).

And it is unsurprising that “**Evangelicals For Harris**” leadership has a history with Soros’s Open Society Foundation (OSF) which funds New America Foundation and many more Leftist groups.

Act Now: What We Each Can Do -

1. **Sign** and **send** this link to your Church, family and friends: www.AmericanEvangelicals.org
2. Know the **Bible**, **candidates and issues** (click hyperlinks; charts & other resources, below)
3. **VOTE** your conscience, **bring others** to vote!
4. **Lead by serving** in our families, churches, communities and nations.

The gospel of Jesus and his followers are the core strength of any nation. To corrupt the Church is to stop the heart and mind of a nation. Opponents know that our weakness is their greater power. We know that many faith groups began well. We now help Christian institutions return to mission. We know that the Kingdom of God is bigger than politics, and [corruption](#) must end on every side.

Dr. Os Guinness, sociologist and author who loves America, has urged the Church to wakefulness:

*We face a gathering storm, as Winston Churchill warned a century ago,
but this time the enemy is inside as well as outside the gates.
Every Evangelical should read, ponder, and pray over the important book, Shepherd's For Sale."*

We seek truth, and we speak truth to power. We learn to discern if we are being deceived and ask that you share this Letter with fellow believers far and wide. We are overcomers. The future of America is in the balance. Vote your conscience, but vote. Pray. Abide in Scripture. Lead.

In Ephesians 5, Paul writes: “**Let no one deceive you** with empty words....Live as children of light
....Have nothing to do with the fruitless deeds of darkness, but rather **expose them....**

‘Wake up, sleeper, rise from the dead, and Christ will shine on you.’

Be ...wise, making the most of every opportunity, because the days are evil.”

Forward in **courage**, for people and nations God so loves,

These same voices tend to be quiet about attacks on Christian conscience and businesses, abortion and child mutilation, churches burning in Canada and Europe, Middle Eastern and African Christians being murdered, Biden & Harris’s disastrous Afghanistan evacuation, Kamala Harris’s legal assault on David Daleiden who exposed Planned Parenthood selling organs of unborn children, the HHS opposing Little Sisters of the Poor, the Iranian nuclear deal that funded a terror regime, the Paris Accord, the Benghazi massacre. And, adding insult to injury, these “faith leaders” often amplify media narratives maligning authentic evangelicals who stand for life and freedom.
